Welcome to Bovey Tracey

WELCOME to the 2016 edition of the Bovey Tracey Town Guide and we hope this guide will provide important local information for residents and help visitors to enjoy their visit to the town.

Bovey Tracey is a unique place – a magnet that attracts visitors from around the world throughout the year.

Bovey Tracey nestles on the south-east edge of Dartmoor National Park.

Set amidst beautiful countryside,

the town's history can be traced back to Saxon times, with links to the English Civil War as well as the pottery and railway industries.

In 2010, Bovey Tracey celebrated its 750th anniversary of the signing of its Market and Fair Charter by Henry III in 1260.

Close to Bovey Tracey is Heathfield, which is a substantial residential and significant business area within the parish. Nearby is Bovey Heath, the site of an English Civil War battle. Local legend tells that in 1664 during the civil war, Cromwellian troops reputedly surprised Royalist officers who were drinking and playing cards in a house in East Street thought to be Front House Lodge. On making a hasty exit, one of the Royalists had the idea of grabbing a pile of money from the card table and throwing it out

of the window. The Royalists made their escape, while the poorly paid Parliamentarians scabbled for the coins and fled to Heathfield.

The Battle of Bovey Heath was fought the following day with Cromwell winning 400 horses and capturing seven regimental colours. Today, Bovey Heath is a haven for rare plants and wildlife, which is now owned and managed by Devon Wildlife Trust.

Bovey Tracey

Plenty to Do

There is plenty to do in and around Bovey Tracey. A walk around the town will reveal many beautiful and intriguing buildings, including the famous medieval Parish Church of SS Peter, Paul & Thomas of Canterbury, Cromwell's Arch and the Old Railway Station, which is now the Heritage Centre.

Visit Bovey Tracey's Information Centre in Station Road car park, where you will find a variety of leaflets, maps and other information on local places to visit and things to do for all the family, including local walks – pick up a free copy of 'Striding Out' which provides details of six walks in the area – and details of local events.

The information centre (01626 832047) also offers details on local accommodation or visit www.boveytracey.gov.uk

Shopping and Eating Out

The shopping facilities in Bovey Tracey mirror the vitality of the town. You will find a wide range of shops and services to meet your every need.

On alternative Saturdays in the centre of the town, Bovey Tracey's Produce Market is held offering a wide variety of locally produced fresh products.

Whether you want a relaxing breakfast, a quick lunch or a special dinner you can find them all in Bovey Tracey. There are superb pubs, hotels, restaurants, cafes and tearooms each with their own particular character offering excellent food and in many cases accommodation.

Also in Bovey Tracey there are craft shops, a weaver and a specialist wool shop.

The Heritage Mosaic Trail

A set of 12 mosaics mark the Bovey Tracey Heritage Trail, a short walk which highlights a flavour of the town's varied history.

Pick up your free copy from the heritage centre or from the information centre.

Contemporary Craft Festival

This event has been held annually in Mill Marsh Park, Bovey Tracey, since 2004. It now welcomes more than 8,000 visitors and has become one of the most prestigious and highly acclaimed craft events in the UK. The aim of the festival – formed originally by three local craft businesses – was to showcase the very best in British craft and to create a new, sustainable and strong market place for contemporary craft but also to bring greater prosperity to the town of Bovey Tracey. The festival, which presents more than 200 stands of the finest contemporary craft with a full programme of educational events, is held in Mill Marsh Park, Bovey Tracey every June.

Devon Guild of Craftsmen

From small but ambitious origins, the organisation has grown into a leading educational charity and popular contemporary crafts venue at the hub of local and creative communities.

With a reputation and influence that extends nationally, our exhibitions and events are fun, open to all, inclusive and, we hope, inspiring.

At Riverside Mill there are two galleries, constantly changing displays and showcases in the shop and a lively, friendly cafe with free wifi for your personal use or informal business meetings. See www.crafts.org.uk.

Special Events 2016

In addition to the fortnightly Produce Market, here are some of the main events being held in Bovey Tracey during 2016*.

Bovey Tracey Flag Project 2016

This is a Bovey Tracey Community project, working with local businesses and organisations to create outstanding large-scale colourful flags to enhance the town.

In 2014 they were up for the Bovey Tracey Carnival and the new Nourish Festival, funded then by the town council as a regeneration project for the town.

This year's funding is from the Tracey Almshouse Trust to continue and extend brightening up Bovey Tracey, and there will now be more than 50 flags going up this summer in time for the Contemporary Craft Festival, carnival week and Nourish Festival in September.

The flags are mainly designed and sewn by participants from the businesses and organisations ranging from The Community Gardens at Parke to the several churches in the town and the primary school with invaluable help given by wonderful volunteers, all led by community artist Bridget Arnold.

Bovey Tracey Information Centre

THE Bovey Tracey Information Centre is located in the car park in Station Road directly opposite the Devon Guild of Craftsmen and is open seven days a week from April to the beginning of November and on most Saturdays for the winter months.

The information centre is staffed by a team of around 30 volunteers whose extensive local knowledge is put to the test by some 12,000 visitors and members of the local community every year.

The information centre provides a single point of contact where visitors and local residents can access a variety of information relevant to Bovey Tracey and the surrounding area, particularly Dartmoor National Park.

If you need to know about local shops and services, places to visit, things to do, where to stay, where to eat, buses, trains, theatres, cinemas, where to walk or cycle, or if you need maps, books or postcards then drop in and see us.

NOURISH FESTIVAL celebrates food, craft and classical music set in various venues in Bovey Tracey. The festival has been warmly embraced by the people of the town and we hope that you can join us this September. Set in the heart of Bovey Tracey, Nourish is a weekend of events designed to feed the body, mind and senses.

The Nourish food & craft fair will fill Bovey's High Street on Saturday, September 3, with some of the region's best producers and delicious street food. New this year, we are also

launching The Devon Street Food Awards in association with Devon Life. A lively competition to decide who is the Best Street Producer in Devon.

The Bovey Bake Off and Junior Bovey Bake Off returns offering opportunities to get the community reaching for their mixing bowls.

The Nourish Contemporary Craft Fair will be hosted in The Methodist Church Hall, showcasing beautiful crafts from across the south west with demonstrations and other craft events taking place at The Devon Guild of

LOCAL COUNCIL
AWARD SCHEME
FOUNDATION

Mayor's Message

I HOPE you enjoy reading the 2016 town guide, which promotes a wide range of services, facilities and activities that we are fortunate to have located in and around our town.

It is a privilege to write a message for this year's Bovey Tracey Town Guide and I would like to take this opportunity to thank all the willing volunteers hidden behind the scenes of so many different groups and associations, beavering away to provide the social fabric of our great town.

Visitors come to Bovey Tracey for a variety of reasons and lots return year after year, staying in their favourite hotels and bed and breakfast establishments to make the most of the facilities, walks and shops.

Since becoming a town councillor, I have seen many changes and know first-hand the amount of work and money invested in the parish by the town council. Last year saw the opening of the skate park at Mill Marsh Park for Bovey's youngsters, which has since received further enhancements and a new website has been designed and launched promoting the town.

An exciting future awaits the Grade II listed town

hall building with the vision of becoming a popular visitor attraction. The town itself looked fabulous again last year, with a colourful display of flags and magnificent floral displays which helped the town achieve a Silver Pennant Award in the Britain in Bloom Competition in its very first year of entry.

Each year, Bovey Tracey holds some fantastic events including the three-day Contemporary Craft Festival, Historic Vehicle Rally and Nourish Festival as well as the horticultural show and carnival along with numerous fetes, open days and exhibitions.

If you are a visitor reading this message, I sincerely hope that you enjoy your stay in Bovey Tracey and come again. If you are a resident, I hope there are goods and services advertised in this guide that attract your attention which you may not have known were available right on your doorstep!

Mayor Cllr Ulli Arnold

Craftsmen.

Nourish music features a real coup: the West Country debut of the extraordinary Dutch group Calefax Reed Quintet, a unique group whose flair for performance and communication is only matched by their musicianship. In their 30-year career Calefax have played all the great music festivals and venues across Europe. For Nourish they present a fairy tale inspired programme – including Tchaikovsky, Ellington and Ravel – but will also feature Bach's iconic Chaconne.

The Brodsky Quartet returns with Schubert's powerful Death and the Maiden, while the awesome Kagemusha Taiko drummers will shake the foundations of the Bovey Tracey Baptist Church on Saturday lunchtime.

Nourish Festival is a community initiative led by The Contemporary Craft Festival, The Devon Guild of Craftsmen and the award-winning Cheese Shed.

The Food and Craft Fair is free, concerts will be ticketed and full details and ticket information can be found via www.nourishfestival.org.

The Contemporary Craft Festival

June 10-12, 2016

THE multi-award winning Contemporary Craft Festival returns to Bovey Tracey once more in June.

The highly-acclaimed festival, has won Devon's event of the year for the second year in a row, presents 200 diverse and talented makers of contemporary craft selling directly to 10,000 visitors. Makers include award-winning silversmiths, potters, furniture makers, textile artists, print and paper artists, glassmakers and jewellers.

The 2016 programme is brimming with workshops, demonstrations, exhibitions, StartUP (formerly One Year On) and Hothouse presentations, craft curiosities, children's activities and entertainment, street theatre, festival food and live music. We were gripped by the Pottery Throwdown on BBC2 and the stars of the show will be hosting a Festival Throwdown in Bovey Tracey.

New features for 2016 include the Vintage Cinema, hosted in an original 1967 bus, showing archive design films and short films of contemporary makers. The Textile Tent, held in association with Plymouth College of Art, returns with hands-on craft activities. It's a weekend to remember.

For full details and how to book a workshop log on to www.craftsatboveytracey.co.uk

'The small museum with a big heart'

YOU will receive a warm welcome to this restored railway station which is a mine of information about all aspects of the history of Bovey Tracey.

With artefacts and displays about the town's contribution to world war, the pottery industry, the granite tramway, local mining, agriculture and railways, there is something to

interest everyone.

Senior visitors will be able to rekindle memories of past times and children will find their own activity area to help them enjoy the museum.

The remains of an internationally significant 18th century pottery kiln and a restored GWR brake van can also be found on site.

Centre

To mark the centenary of the first world war, Bovey Tracey Heritage Trust is compiling a book as a tribute to those who died not only in The Great War but also in the second world war. The book will be published in June 2016 and will include mini-biographies of those named on the town war memorial. Copies will be available to buy from Bovey Tracey Heritage Centre.

Cards, books and small souvenirs for sale.
Proceeds go towards heritage centre running costs.

NATURAL
ENGLAND

Surveying wildlife with volunteers

THE management of East Dartmoor National Nature Reserve, (which consists of the Bovey Valley), Trenderbere and Yarnor Wood, is done to help conserve a wide range of species which need different requirements. Here are some of the species volunteers help surveys.

We will be surveying for *Usnea* – a genus of mostly pale grayish-green fruticose lichens – on all our reserves.

Usnea florida (pictured right) is only found on well-lit branches in unpolluted areas.

We also will be arranging special trips out with the Devon Lichen Group and ID workshops with Plantlife (April and June). We also spend most Friday's looking for historic features to find out more about how man has shaped our landscape.

Oil beetles (pictured below) are surveyed in early spring combining with national survey www.buglife.org.uk/oil-beetle-survey.

IMAGES: SUSAN YOUNG

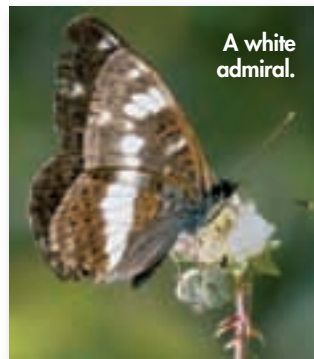

All our bird records collected will be included in the British Trust for Ornithology records, with research done by Exeter University, Devon Birds and The RSPB.

We will also continue our surveys of Barbastelle bats, dormice, otters, soils, trees health and development. Most of these will be written up as part of a university degree or masters.

We have a student who will repeat the pearl boarded fritillary monitoring. This monitoring is time limited so it is very hard to be in all the right places at the same time, so yet again more help the better.

There will be a fritillary ID workshop on April 26. Alongside this we monitor the butterfly transects which have to be surveyed every week between the beginning of April and the end of September. Sadly, at national level these and the moth, which the Devon Moth Group will help us monitor, are in decline.

We hope to celebrate some of these species and activities at our Festival of Dartmoor Wildlife which will be on May 15 details of which can found in the following website www.moorthanmeetstheeye.org.

Providing legal services to individuals and businesses in Bovey Tracey

Parke Bovey Tracey

PARKE sits on the outskirts of Bovey Tracey and is a five minute walk from the centre of the town. There are lots of circular walks of different lengths from a gentle stroll along by the river to a more challenging walk through the woodland.

A walks leaflet is available from the National Trust office opposite Home Farm café. The café serves home cooked dishes, teas, coffees, cakes and ices and is open all year. Check opening times at www.homefarmcafe.co.uk or ring 01626 830016.

Parke has a fascinating history and clues to its history can be found all over the place.

Major Hole left Parke to the National Trust in 1974. The house you see above, constructed around 1826, was built on the site of a Tudor house, remains of which can be seen in the gardens. The house is currently leased to Dartmoor National Park Authority and not open to the general public. The two rows of granite posts in the parkland, were rails from the

nearby tramway used to take granite from Haytor quarry to Stover Canal at Teigngrace. One of the old trucks used can be seen in the open shed behind the house opposite the lavatories.

The weir on the river dates back to

medieval times and feeds the leat, which was built to run a water-powered mill in Bovey Tracey.

There is an abundance of wildlife at Parke. In the meadows look out for orchids and ragged robin. Along the River Bovey you may see kingfishers and dippers – it is home to salmon and sea trout too. Keep an eye out for otter

spraints (dung – you will smell it first!).

In the woodlands, you may see badgers, foxes, roe deer, great spotted and green woodpeckers. Bats emerge at dusk from around the buildings.

Parke continues to be a managed working landscape to support a number of wildlife habitats, a place for people to enjoy and to produce food. The walled garden dates back to the 1800's, when it would have provided soft fruit for Parke House. The ground slopes giving the walls an unusual shape. After many years of neglect it is now jointly run by the National Trust and Bovey Climate Action to produce locally-grown fruit and vegetables, including, apricots, figs, apples, pears, root vegetables, salad leaves and cut flowers.

The orchard contains 150 cider apple trees. Parke holds an annual apple day early in October where apples are picked and made into apple juice and cider using an apple press.

The dismantled railway line is used today as part of the Wray cycle trail.

The Dartmoor Pony Heritage Trust (DPHT) is a registered charity established in 2005 to protect and conserve the Dartmoor Pony on Dartmoor and is based at Parke.

For further details and opening times visit the DPHT website www.dpht.co.uk or check the board in the car park.

For further information and events go to www.nationaltrust.org.uk/parke or ring Dartmoor Countryside Office 01626 834748.

Dream, Believe, Achieve

ST CATHERINE'S has been caring for and educating the children of Heathfield for more than 100 years. Our school motto is 'Dream Believe Achieve', a philosophy that underpins all that we do.

St Catherine's is part of the highly successful United Schools Federation (USF) which includes St Michael's in Kingsteignton, St Mary's in Brixton (near Plymouth) and Marldon Primary, (near Paignton). The continued growth and development of the federation clearly reflects the progress that the schools are making by working in partnership together. This progress gives all children access to a wide range of opportunities and experiences that enhances their learning and ensures that the children are progressing and attaining levels that exceed expectation. Everyone involved with the school works tirelessly for the continued improvement of the school.

St Catherine's was inspected in November 2011 by Ofsted, being judged as 'good' with many 'outstanding features'. In December 2011 the school was also inspected by SIAS (Statutory Inspection Of Anglican Schools), and was judged as being a 'good' school, confirming the high quality of our provision through our positive Christian ethos that underpins everything that we do.

A 'good school with outstanding features' – Ofsted 2011

A 'good church school' – SIAS 2011

In December 2012 the school was also honoured by the Department for Education as being one of the top 100 schools nationally for sustained improvement in Key Stage 2 results at level 4 and above in the previous three years.

In September 2014, St Catherine's was recognised for being in the top two per cent of all

schools nationally for its achievement in Key Stage 1 phonics.

We are very proud of this achievement.

St Catherine's is a school that has continued to improve in all areas. We have an exciting international curriculum that develops children to become citizens of the world. We have an exciting range of extra curricular activities including caving, mountain biking, scuba diving, climbing, engineering, various sports clubs, art and craft clubs, a choir and even a radio club which helps to produce our own radio programmes for 'Radio USF'. We have also extended our provision by starting an 'Early Birds' club to give parents the opportunity to bring their children to school early.

We would welcome anyone who would like to find out more about us and what we can offer you and your children. Please feel free to contact the school and we will be more than happy to show you what we are all about.

Bovey Tracey Horticultural Society

THE Bovey Tracey Horticultural Society held its first summer show in 1863, and continued up until the mid 1930s.

In the 1960s, the Bovey Tracey Produce Association took over the running of the British Legion's Annual Flower Show, and reinstated the name of the Bovey Tracey Horticultural Society.

The majority of its 150 or so members live in the Bovey area, but it also has members in Stokeinteignhead and Newton Abbot.

During the winter/spring months – November to April

– the society has a talk on an item of horticultural interest on the second Tuesday of the month, commencing at 7.30pm in the Methodist Church Hall, Le Molay Littry Way, Bovey Tracey.

Excursions are organised during the year, to horticultural venues both local and distant, including a theatre trip to London and a Christmas

outing in December.

The society holds two shows every year, a members' exhibit only Spring Show in April at the Methodist Hall and the main event, the annual Summer Show, in Parke View Meadow, opposite the Methodist Church, on Saturday, August 20.

The annual meeting is held on the second Tuesday in November, again at 7.30pm in the Methodist Hall. This is followed by a social evening.

Membership subscription is £7.50 per year. This gives free entry to the winter meetings and a quarterly newsletter.

For further details, contact chairman Julia Mooney on 01626 830332.

Christians and Churches in Bovey Tracey

Dear Friends

THE Church is very much alive, well and active in your community! Between us we offer a wide variety of worshipping styles in very different buildings, so that there will be something for you, whether your preference is for guitars and drums or a traditional organ; for the ancient beauty of a parish church or the simplicity of a school hall; for worship that is formal or informal... within all our churches you will find warmth, friendship and support.

Our aim is for our different styles and approaches to complement each other and so, although the churches are varied, we work together closely (and are a part of a wider grouping along the valley all the way up to Moretonhampstead). Over the years this has enabled us, for example, not only to organise joint events at times like Lent and Good Friday, but also to employ youth workers, active both within the churches and local community.

For many years now, children in Bovey Tracey have looked forward with great anticipation to our ever-successful joint summer Holiday Club – it is always fully subscribed, so please look out for the publicity and book in as soon as you can!

Between the churches we offer a range of regular groups and activities for all ages, from babes and toddlers through to fellowship and care for the elderly – too many to list here, but something for everyone. Being a part of our community, contributing to and working for its wellbeing, is also an important expression of our Christian faith, and so you will find many of our church members actively involved in the wider life of Bovey Tracey and Heathfield, and our church halls available for community use. We also have collection points for donations to Homeless in Teignbridge Support (HITS), our local Foodbank covering Teignbridge, and between us as churches we support a large range of local and global causes and charities.

So it doesn't matter whether you are new to our area or have been here for ages, whether you've had any contact with or experience of church before, or whether you have a firm faith, are searching for some meaning or are simply curious – we are very welcome to explore the churches and to find out more. Just ask at any

Bovey Tracey Swimming Pool

THE Bovey Tracey Swimming Pool is a heated open air pool with sun terrace and spectator area, disabled facilities and toddler pool.

The pool is open from Saturday, April 23 to Sunday, September 11, and full opening times can be found on our website. Evening activities include lane swimming, children's swimming clubs, lifesaving clubs, Happy Hour (all swims £1), ladies' night and adult conditioning sessions. We also run early morning swim sessions on Mondays, Wednesdays and Fridays.

One-to-one swimming lessons are available with qualified swimming teachers. Family discounts apply on weekend afternoons between

4pm and 6pm.

The pool is run by the Bovey Tracey Swimming Pool Association, registered charity number 300773, with the help of more than 80 local volunteers.

For more information go to www.boveyswimmingpool.org.uk, or e-mail us on boveypool@gmail.com or phone us on 01626 832828 during opening times.

Heathfield Community Centre

YOU'LL get a warm welcome at Heathfield Community Centre!

The centre hosts a wide variety of activities and events every week: Teign Kickboxing on Monday & Friday evenings 7.30pm-9.30pm and Sunday afternoons 3pm-4pm; M-Dance for adults and children on Wednesdays 7.30pm-8.30pm and Fridays 4pm-5.30pm; Thursday Toddlers' group between 9.30am-11am for a coffee and a chat; the Scouts meet in our hall on Thursdays 6.30pm-8.30pm and keep fit and supple with Pilates on Fridays 10.30am-11.30am.

Coffee and bingo mornings are on alternate Wednesdays and bingo nights on alternate Tuesdays. See notice board for details.

On the first and third Thursdays of each month, 2pm-4pm, there is a 'Knit & Natter' group for people of all skill levels.

The centre is also proud to regularly host Newton Abbot WI and Moor Quilters' meetings.

The hall is ideal for children's birthday parties (big enough for a bouncy castle!) and the upstairs lounge area (lift available) is comfortable for business meetings, training sessions and family gatherings.

There are kitchens on both floors where you are welcome to make light refreshments.

The centre has full disabled access and includes disabled facilities. There is on-site parking for about 20 vehicles.

See the notice board for details of the Summer Fete and plans for the Queen's 90th Birthday celebrations!

Heathfield Community Centre, 10 Cannon Road, Heathfield, TQ12 6SH. Telephone 01626 834420 or email

heathfieldcommunitycentre@btconnect.com for bookings or more information about any of our activities. Office open Mondays 9am to noon.

BOVEY TRACEY Activities Trust

BOVEY Tracey Activities Trust (BTAT) is a charitable trust run entirely by the members volunteering. Membership is open to those aged 55+ living within a five-mile radius of the centre of Bovey Tracey.

Its aim is to encourage those approaching retirement or already retired to continue to enjoy a physically and mentally active lifestyle by participating in a wide variety of indoor and outdoor educational, recreational and social activities and assisting in running the activities whenever possible.

Membership of the trust is on an annual basis with renewals due each year at the annual general meeting in April. New membership is subject to availability of places after the end of May each year. Membership numbers are governed by the size of the hall and fire/health and safety issues.

The club has been in its home, The Phoenix Hall, since 2002. Among the activities currently enjoyed by BTAT

groups (played at The Phoenix Hall) which include card and board games such as bridge, cribbage, rummikub, scrabble and whist.

There are also discussion and book groups, music groups, table tennis, carpet bowls and keep fit classes.

Activities away from the club premises include pitch and putt, pétanque, activity lunches and walking groups.

Members may bring guests to many of the activities in order to give them the opportunity to experience the ethos of the trust and assess whether they would like to become members and participate fully in BTAT activities.

Non-members are invited to attend on a Thursdays between 10am and noon for a coffee morning (cost £1) where they can meet with a small group of members and find out about the trust and the activities that are run. They can then decide if it is the type of organisation for them and about the procedure for joining.

Details can be obtained by emailing admin@btat.orangehome.co.uk or from the website www.btat-devon.org.uk

BOVEY TRACEY Carnival

2015 was a great year for Bovey Tracey Carnival! Many thanks go to all who supported us! At the annual meeting we were able to give donations to Bovey Tracey Football Club, Heathfield Community Centre, Dartmoor Vale Rotary, Police Widows & Orphans Fund, Bovey Tracey Activities Trust and Firefighters Benevolent Fund.

From a committee point of view, going into 2016 we have said a sad goodbye to Carol Stoneman as secretary and Hayley Smith as publicity officer, however, we have welcomed some new faces and are looking forward with some new ideas. We would always like to see new members, even if you can't attend the meetings, just passing your details to us as a friend of the committee would be a brilliant asset. Last year was also Dorreen Black's final year as quiz mistress! After 22 years she has passed the baton to Jan Thurstone.

There is a slight change from previous years as we are now holding the Sunday Funday as our Carnival Week finale! Make sure you put these dates in your diaries!

Saturday, July 30: Party in the Park & Duck Race in Mill Marsh Park from 5.30pm-11pm.

Monday, August 1: Carnival Bingo at the Dolphin, 7pm start.

NEW FOR THIS YEAR – Carnival Darts at The Bell Inn 8pm start.

Tuesday, August 2: Quiz Night at The Dolphin Hotel starting at 7.30pm.

Wednesday, August 3: Sports Night at the Recreation ground, by the Swimming Pool at 6.30pm.

Thursday, August 4: Skittles Night at the Football Club starting

at 7.30pm.

Friday, August 5: Interclub Challenge starting at 7pm at The Football Club.

Saturday, August 6: Procession Day! Starting at 6pm from the town hall and proceeding on its usual route which will finish at Pottery Road/Thorns Cross.

We are also delighted to have the fireworks display in Mill Marsh Park at 10pm kindly organised by Funlands Funfair and The Jolly Roger.

Sunday, August 7: Sunday Funday & Dog Show at Mill Marsh Park from 12.30pm. There shall be live music, kid's activities, stalls, trampolines, funfair, food, beer tent and much more.

To keep an eye on all our events you can keep up to date by joining us at www.facebook.com/boveytracey carnival or follow us on twitter @boveycarnival.

And if you want to get involved in the carnival contact Rob Petit by emailing robertpeters3@sky.com or call 07783427852. Or come along to one of our meetings in The Bell Inn on Monday 3 of every month at 8pm.

The Bovey Tracey Players

THE Bovey Tracey Players are a thriving drama group of around 50 members. They aim to produce three shows a year.

As an active drama group they require a range of skills and interests as well as directing, acting and singing. These include set building; make-up, costume, lighting and sound as well as front of house duties. Musicians are always welcome.

A wide variety of full length and one act plays have been produced over the years and these have included comedy, farce and drama and on occasions, the premiere of new writings by members.

A pantomime is produced every other year alternating with a nativity play in the local parish church.

Both types of production have proved popular with local audiences.

The Players have also performed street theatre, cabarets and a large number of members were also involved in a very successful '1950s Radio Show' presented in celebration of the Queen's Diamond Jubilee.

The Players also enjoy a variety of social events which helps to raise funds for their nominated charity each year.

For more details and up to date information on what is happening with the group, visit the Players' website at www.boveytraceyplayers.org or contact the chairman, David Cartwright, on 01626 835250.

Bovey Tracey Youth Café

BOVEY Tracey Youth Café provides a free drop-in facility where young people aged ten to 18 can relax in a safe and caring setting, become involved in a range of activities and buy hot food and snacks.

WE offer a range of indoor activities including music, arts and crafts, games, pool and air hockey table, laptops with internet access, Wii, Xbox and PS3.

WE provide opportunities for volunteer work at the Youth Café for older teenagers to increase their confidence, achieve a sense of responsibility and promote themselves as positive role models.

WE raise drugs and alcohol awareness, working with our local drugs and alcohol agencies.

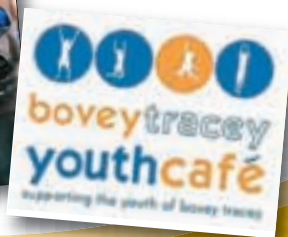

WE facilitate referrals and signpost young people to information i.e. smoking, sexual health, healthy eating and alcohol.

WE offer support and help on employment and training through our partnerships with local organisations.

WE are involved in local community events such as The Contemporary Craft Festival and also hold a number of fundraising events to help raise vital funds for the café.

Bovey Tracey Athletic Football Club

ALTHOUGH football has been played in Bovey since the late 1890s, the present club was formed around 1950 by the merger of Bovey Town and Bovey St Johns who played at the Recreation Ground. This merger was much the work of Frank French who was, at the time, the local policeman.

The earliest documented game was on November 11, 1899, when Bovey entertained Torquay United for a friendly in what was Torquay's first season. Bovey went on to win the match 2-1 with a controversial penalty, the last kick of the game at the end of 20 minutes injury time.

On March 31, 1961, in front of 3,000 spectators Bovey won the Herald Cup 3-1 with goals from Slocombe, Hydon and Fone. Bovey have also appeared in this final, on four other occasions in 1931/32 (Bovey St Johns), 1938/39 (Bovey Town), 1993/94 and 2003/04 all ending in defeat.

In 1979 the football club made their biggest purchase to date with the purchase of land at Mill Marsh Park (the current ground), however, part of this land was sold under a compulsory purchase order in 1984 to assist in the construction of the 'Bovey Bypass'.

The 2008/09 season once again saw the club achieve new heights, with the use of new facilities here at the renamed Western Counties Roofing Ground. The East Division title was lost on the final day of the season but promotion to the Premier Division as runners-up was achieved. They were also beaten finalists in the Devon Premier Cup Final.

During the seasons of 2009/10, 2010/11 and 2011/12, the club saw a succession of managers as Bovey Tracey retained their Premier Division status each season. With Football Foundation assisted grant funding, floodlights and covered seating and standing areas have been added, making watching a great experience for the townsfolk, also a well-equipped kitchen offering supporters a wide range of hot and cold food and drinks.

The club's substantial youth system runs teams from under 8s to under 16s and will be creating an Under 18s team in the 2015-16 season, thereby filling the final gap in the club's player development structure.

The club continues to be the envy of many larger clubs in the region, producing a large number of

talented youngsters.

Recently, Cliff Walters (pictured right) went on to captain the Devon Under 18s side, and Liam Head has represented his country at International level, playing in both the home internationals, as well as the U17s European Championships.

There have recently been further ground and facility improvements, with the provision of a new purpose built pitch, to accommodate the under 9s and 10s, at the Western Counties Ground. This facility is a huge coup for BTAFC which can now boast to having one of the best playing surfaces for kids of this age group, anywhere in the county. It is the clubs intention, to continue to improve its facilities with the provision of a new changing room complex at the Western Counties Ground.

With the advent of Torquay Utd Ladies (who play all their home fixtures at the ground) now being an integral part of the club, the need is there to further develop women's football, so a dedicated changing room suite is a must. As well as the Torquay Ladies, it is the club's intention to advertise and help develop the game for girls of all ages, hopefully culminating in a second 11 playing under a Bovey Tracey badge, but with a view to eventually attaining the skill levels required to progress into the Torquay Ladies' 1st team. The ladies have been a breath of fresh air at the club, and the club will continue to support them in whatever way it can.

It is still the club's aim to focus on its best assets which, in their opinion, are the local youngsters. The club therefore strives to continuously improve its facilities and coaching staff, thus allowing it to focus on what's important, rather than tying itself down with huge player budgets, that can and does damage football in general.

The club house is located on the Rec (next door to the swimming pool), and new members or visitors are always welcome.

Bovey Tracey AFC is a local club, supporting local children and adults alike – please feel free to go along to a match.... you may just like it!

Bovey Tracey Pétanque Club

BOVEY Tracey Petanque club play on their Piste at BT AFC Ground in St Johns Lane, Bovey Tracey, every Sunday afternoon from 2pm through until 4pm or 5pm depending on the weather. This is a friendly afternoon where the emphasis is on social activity of fun. The club also hosts games twice a month for Bovey Tracey Activities Trust on a Thursday.

Last year was another excellent time for the club having won the South Devon Twinning Petanque League Shield for the 14th consecutive year. Pictured right is: Mike Watson (club coordinator and treasurer) on the left, receiving the shield from the league chairman at the presentation dinner.

During the year, the club also won six out of eight individual trophies in the South Devon Twinning Petanque League. Pictured below are some of the players being presented with the trophies from the league chairman.

THE CONCEPT:

THE sport is played with metal balls and a jack and can be played by teams of three players (triples), two players (doubles) or a straight head-to-head between two single players.

The object of each end is to get more of your boules closer to the jack than your opponent (each one that is closer scores one point) and the team/player to reach the score being played for first wins the game. The game is suitable for anyone from about eight years of age onwards.

Some of the members also play in a more serious but still very friendly competition in the league games. The club is open to anyone who would like to try their hand at this very easy game played in a friendly competitive manner.

Anyone interested in trying the sport is welcome to come along on a Sunday afternoon and try it out. No equipment is required. Please contact the club coordinator, Mike Watson, on 01626 832888 or email mgtwatson@aol.com for further details.

Bovey Tracey Lawn Tennis Club

BOVEY Tracey Lawn Tennis Club will offer you the opportunity to enjoy the many pleasures of playing tennis.

Come and join us – we are always happy to include new members.

We embrace all levels of ability, from starting small children off with a racquet and ball under the guiding eye of our LTA accredited coach Ryan Bougourd, to social mornings of good quality tennis during the week.

For the player who is a little reluctant to renew a previously held enthusiasm there is a 'Back To Tennis' evening on Tuesdays, run by Ryan, to revise and rekindle those skills. Once

re-established, players are encouraged to join in club nights on Mondays and Thursdays.

If really keen, players can join in the ladies', men's, and mixed teams that play in the Exeter and South Hams Leagues.

During the year we run friendly mixed tournaments and internal competitions, usually combined with a social get-together.

Do come and join us for casual tennis, competitions or coaching from our excellent coach.

Contact the club coach, Ryan Bougourd, on 07814 395564 or Melanie Kempson on 01626 833939, www.boveytraceyltc.com.

Bovey Tracey Bowling Club

BOVEY Tracey Bowling Club is situated in the Recreation Ground adjoining the cricket and tennis clubs. Vehicular access is from Newton Road, Bovey Tracey, TQ13 9PF. There is ample parking available.

This is a well-established club which celebrated its centenary in 2011. Originally connected with the cricket club, it became independent in 1980 with its own clubhouse which was replaced in 2008.

There is a busy fixture list for 2016 with both men's and ladies' leagues, friendly matches, a weekly club evening, club

tournaments and competitions.

Also, in the winter, there are opportunities for indoor bowling for both roll-ups and matches against local indoor clubs.

Off the green, there are a number of 'out of season' social activities, including weekly Art and Bridge groups. The club would welcome

enquiries from anyone interested in joining – both experienced or new bowlers.

Bovey Tracey Cricket Club

LEFT: Run!
action from
Bovey Tracey
Cricket Club's
ground.

FORMED in 1850, Bovey Tracey Cricket Club is one of the oldest and largest clubs in the area and has grown substantially in the last ten years. It currently boasts four senior teams, a ladies' section and a thriving youth section with more than 100 members who play in their respective age groups in the South Devon Youth League.

Welcoming to all ages, the club is open from April to September every year. There are matches of varying standards throughout the week during the high summer. Friday evenings are for the colts where school children (from Year 2) undertake cricket-related activities while the adults use the clubhouse where food is served.

Saturdays are match days for the 1st, 2nd, 3rd and 4th teams while on Sundays the South Devon Cricket League team is in action, as well as games involving the ladies. Friendlies and tour matches take place on weekdays and at weekends.

On occasions the club is used to host county fixtures for all age levels.

On match days, teas and refreshments are available from the pavilion.

The pavilion is available for hire when not required for cricket matches and during the winter months.

If required, bar and catering facilities are available for seminars, parties, meetings etc.

Details can be obtained from the contact numbers on this page.

Everyone is welcome at the club. Why not pop along and see what is on offer. We look forward to meeting you.

Bovey Tracey Primary School

● EXCELLENCE AND ENJOYMENT ● HIGH ASPIRATIONS
● RESILIENCE ● SELF BELIEF ● EQUALITY ● COMPASSION

AS the new headteacher of Bovey Tracey Primary School, it is a great privilege to be able to write about the exciting changes and developments.

We believe our key values, shown above, help our children embrace challenge and become well-equipped for the world they live in. We aim to empower our children, enabling them to be creative, adaptable and powerful thinkers. After all, they are the decision makers and citizens of the future.

By inspiring, nurturing and challenging children, we create a culture of high expectations both across our curriculum and through their daily lives. We develop self-belief, motivation and resilience as well as teaching the skills of collaboration and reflectiveness. Our approach to teaching is through tutorials and pupil progress groups so we can tailor and personalise learning for all children.

We can pinpoint learning needs and address these in focused teaching groups. All children deserve a first rate education tailored to their personal needs. We have ensured that our creative curriculum continues to enable children to become immersed in learning across all areas, from science, ICT and technology to drama, art and history.

We also learn outdoors and make use of our

WE take part in the Remembrance Sunday service.

fantastic environment.

We have two new areas which have opened since September. Our Early Years now have a fantastic outside area which enables our children to create, explore and discover, developing their curiosity and imagination. Our newly-opened 'Thrive Hive' helps develop children's emotional needs more clearly. The Thrive Hive is not a short term fix to life's ups and downs but more a long-term investment in preparing our children for the future.

Another exciting development since September has been the launch of our refurbished PTA library. With the help of our vibrant PTA, we now have an electronic system where children can scan out their own books. In addition, we have invested in an accelerated reader system which tracks children's reading and ensures they are accessing a wide range of books.

We see ourselves as an integral part of the town and value the links we have with the community. Please look at our website to see the vast range of activities which we have participated in. We have music clubs each morning before school and you will be able to see our sporting successes as well as all of the additional opportunities the children are offered.

Louise Prywata

THE new 'Buddy' system. Year 6 children write a letter of application to apply to be a 'Buddy' to a new Reception child. The older children stick with them and help their confidence through their first year at school.

Dartmoor Pony Heritage Trust

Keeping the Dartmoor pony on Dartmoor

MOORLAND ponies are an integral part of the Dartmoor landscape. In addition to drawing in visitors, they play a vital role in grazing the moor and maintaining its character. But in recent years, their numbers have been in decline.

The Dartmoor Pony Heritage Trust (registered charity no.1109196) was established in 2005 in response to widespread concern about the viability and long-term survival of the traditional Dartmoor pony.

We are based in Bovey Tracey where we operate a purpose-built, all-weather visitor and education centre at the Parke Estate on the Haytor Road.

'Ponies Inspiring People': Opening Minds and Healing Hearts

During the past six years, DPHT has built a strong reputation for its courses for young people with

challenging behaviour and/or disabilities, working with Dartmoor ponies. Primary school children can benefit from a fun and very different learning experience at the centre and free guided walks on Dartmoor.

Our aim is to create opportunities for young people to meet their full potential and to provide them with a set of social and emotional skills that will allow them to participate more effectively in everyday life and potentially, move into long-term employment.

How You Can Help

We offer a broad range of opportunities for volunteers of all ages, with or without pony skills, but all are rewarding and fun!

We need help with organising and resourcing public access days, as well as our many other activities, which include pony care, field maintenance, school visits, development courses for young people and conservation work.

We run a regular practical conservation programme on our moorland site at Bellever and FREE Guided Walks all year. We are always keen to meet new people who can enhance our team. A range of skills is more important than knowledge of the Dartmoor pony.

For more information, please see website
