Extension to library opening hours

For some time BLAST (Bovey Library Action Support Team) has been keen to further improve the library service in Bovey Tracey. With plans to extend opening hours, this has now become possible.

Over the next few weeks the library team will draw up a questionnaire with some suggestions for additional hours. Do please look out for this and respond with your suggestions. This will be an opportunity for you to comment on when you would like to have the library open at a time that is convenient for you.

To manage the additional hours, the library will install a self-service machine and recruit volunteers. Perhaps you would be interested in becoming a volunteer? If you would like to help in this way, then do please contact the Library Supervisor (Mrs Jackie Paxman).

Community Centre - Update

Plans to build a new community centre in Bovey Tracey have taken a major step forward with the appointment of a Devon firm of Architects to lead the design process. Peregrine Mears Architects, based in Exeter and Barnstaple, were selected from 11 firms who applied via an open tender process.

A timeline for the design phase of works has recently been agreed. A Facebook page for the project will shortly be published by the appointed architects and will be updated regularly.

Pictured at the site are the Town Mayor, Councillor Tony Allen and Peregrine Mears celebrating the project launch.

Hospital League of Friends – AGM

The AGM for the Hospital League of Friends is a public meeting open to all and will take place at 7.00pm on 25th April 2017 in the Methodist Hall. One of the key items for discussion will be an update on what is happening concerning the Bovey Tracey Hospital site. Please attend if you can and share your views.
